Excited to share that I just earned my 4-Star Python badge on HackerRank!

It's been a great journey sharpening my problem-solving skills and diving deeper into Python basics. Ready to keep pushing forward and tackle the next ...more

About

I am a first-year Computer Science and Engineering student at KL University, eager to build a strong foundation in software development, data structures, and web technologies. Currently focusing on mastering Core Java and learning fundamental programming concepts. I enjoy solving problems through code and am eager to explore web development and data science through hands-on projects and open-source contributions. Looking forward to connecting with fellow students, tech enthusiasts, and mentors!
